CATERING AT MOAT

All food provided by Moat Community College is halal (permissible).

Vegetables, pulses, grains and fish are halal by nature.

All meat products are purchased from suppliers with halal certification (see **Further Information** at end of this document for supplier and halal authority information) and prepared in a kitchen which is not used for haram (impermissible) food preparation.

No Genetically Modified (GM) food is used at the college.

GOVERNMENT REGULATION

The [Welfare of Animals \(Slaughter or Killing\) Regulations 1995](#) state that all animals slaughtered in the UK should be fully stunned to the point of insensibility before slaughter and until death. PLEASE NOTE – HARAM FOOD

Moat does not serve any food considered to be haram (impermissible) in any of its catering outlets.

No pork or pork by-products are held on site or allowed in food preparation areas.
